

Welcome and Introductions

Opportunities and Challenges in Using the Kinetically Derived Maximum Dose Concept to Refine Risk Assessment Symposium

Nicole Kleinstreuer, PhD
NICEATM Acting Director

30 September 2020

Logistics

- This webinar will be recorded and a link will be made available after the meeting
- Slides will also be made available via the same link
- You can access the Q&A, Chat, and Closed Captioning at the bottom of your screen
- We will have a few minutes for questions after each speaker:
 - *Please type your questions in the Q&A box, starting with the name of the speaker to whom the question is being asked*
 - *Any questions not addressed live will be captured and we will try to address them in writing*
- We have built-in time for additional Q&A at the end of the meeting
