

Report on Peer Review of Draft Report on Carcinogens Monograph on Haloacetic Acids

Presenter: Dr. Gloria Jahnke, NIEHS/DNTP/Office of Report on Carcinogens (ORoC)

The NTP convened an external panel on July 24, 2017, to peer review the Draft RoC Monograph on Haloacetic Acids Found as Water Disinfection By-Products. Materials for this meeting are available at: <https://ntp.niehs.nih.gov/go/38854>. The RoC monograph has been revised to address the peer review panel's recommendations.

Dr. Jahnke will present an overview of the peer-review meeting, the actions, and NTP responses.

Additional information on the RoC is available at <https://ntp.niehs.nih.gov/go/aboutroc>.
