

Report on Peer Review of the Draft Report on Carcinogens Monograph on *Helicobacter pylori*: (Chronic Infection)

Presenter: Dr. Ruth Lunn, NIEHS/DNTP/Office of Report on Carcinogens

The NTP conducted a peer review of the Draft Report on Carcinogens Monograph on *Helicobacter pylori* (Chronic Infection) by letter by three external scientists with expertise in *H. pylori* and cancer. The monograph has been revised to address the peer-review comments.

Dr. Lunn will present an overview of the revised monograph, peer-review comments and actions, and NTP's response.

Information about the *H. pylori* evaluation is available at <https://ntp.niehs.nih.gov/pubhealth/roc/listings/hpylori/index.html> and the Report on Carcinogens at <https://ntp.niehs.nih.gov/go/aboutroc>.
