

Report on Peer Review of Draft Report on Carcinogens Monograph on Antimony Trioxide

Presenter: Dr. Amy Wang, NIEHS/DNTP/Office of Report on Carcinogens

The NTP convened an external panel on January 24, 2018, to peer review the Draft RoC Monograph on Antimony Trioxide. Materials for this meeting are available at: <https://ntp.niehs.nih.gov/go/38854> (filter by Event Type: Peer Review Panels – RoC Monographs). The monograph has been revised to address the peer review panel’s comments.

Dr. Wang will present an overview of the peer-review meeting, the actions, and NTP’s response.

Information about the antimony trioxide evaluation is available at <https://ntp.niehs.nih.gov/go/809361> and the RoC at <https://ntp.niehs.nih.gov/go/aboutroc>.
