

Peer Review Format

- Office of Report on Carcinogens staff or support contractor* makes a brief presentation on a section of draft monograph
 - Panelists may ask questions for clarification
- 1st primary reviewer presents their peer review comments and staff/contractor responds [editorial comments do not have to be stated]
 - Format followed by 2nd primary reviewer and then 3rd primary reviewer
- Other panelists present any peer review remarks or ask questions
- Panel has a general discussion
- Chair briefly summarizes primary points
- Vote by show of hands on (1) NTP's draft level of evidence for human and animal data and (2) NTP's draft listing recommendations
 - Brief statement for record for any “no” votes or abstentions
 - Chair only votes in case of a tie

**ILS, Inc., support contractor for the Office of Report on Carcinogens*
