Re: Public Comments for the Scientific Advisory Committee on Alternative Toxicological Methods (SACATM) annual meeting

Dear Dr. White,

Safer Medicines Trust agrees with and fully endorses the written comments submitted by the Center for Responsible Science (CRS):
https://ntp.niehs.nih.gov/ntp/about_ntp/sacatm/2016/september/publiccomm/wilcox20160913.pdf

We also applaud the efforts of all involved in developing this crucial strategy to implement the vision for Toxicity Testing in the 21st Century.

Yours sincerely,

Kathy Archibald
