Principal
NapaTox Consulting LLC
San Francisco, CA

Mary Alice Smith, PhD
Professor, College of Public Health
University of Georgia
Athens, GA

Kimberley Treinen, PhD, DABT
Executive Director, Head of Nonclinical Safety and DMPK
Sunovian Pharmaceuticals Inc.
Marlborough, MA

¹ Experts from outside of the National Toxicology Program (NTP) are invited to serve as peer reviewers based on their expertise, and they are vetted to ensure they have no conflicts of interest. Experts may be identified from academia, industry, state government, other federal agencies, and nongovernmental groups. For peer review of the draft NTP report, the panelists have expertise in developmental and reproductive toxicology and birth defects.
