

National Toxicology Program
U.S. Department of Health and Human Services

4th International Symposium on **Systematic Review and Meta-Analysis of Laboratory Animal Studies**

August 24-25, 2017

NIEHS Building 101, Rodbell Auditorium
111 TW Alexander Drive, Research Triangle Park, N.C.

Meeting Themes:

- Systematic Reviews or Meta-Analyses in Toxicology and Public Health
- Automation of Systematic Reviews
- Systematic Review/Meta-Analysis Methods Development
- Systematic Reviews or Meta-Analyses in Epilepsy and Other Human Diseases

Registration : <https://ntp.niehs.nih.gov/go/ISSRMALAS>

Systematic Review Training. Instructional training in systematic review methods **will be offered** prior to the meeting on Wednesday, August 23, 2017. Learn about the use of systematic review methods for animal studies and toxicology. Email SR-MeetingSupport@icf.com to register/confirm your attendance. As space permits, accepted attendees will be notified.

- **Organizing Committee:** NTP at NIEHS (National Toxicology Program at the National Institute of Environmental Health Sciences), CAMARADES (Collaborative Approach to Meta-Analysis and Review of Animal Data From Experimental Studies), EPA/NCEA/IRIS (U.S. Environmental Protection Agency/ National Center for Environmental Assessment/Integrated Risk Information System), University of Tasmania School of Medicine, UCSF Navigation Guide, SYRCLE (SYstematic Review Centre for Laboratory Animal Experimentation)

Individuals with disabilities who need accommodation to participate in this event should contact Vickie Walker at 919-541-4514 or vickie.walker@nih.gov. TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least 5 business days in advance of the event.

Any individual seeking access to the NIH campus will need to be prepared to **show a photo ID** (e.g., driver's license, or a company, government, or university ID) and **provide either a copy of this flyer or pertinent information about the meeting.**
