

b. Are there any programs you recommend the Commission examine that provide meaningful language access to government benefits and services to persons with limited English proficiency?

3. Economic Equity Subcommittee Questions:

a. To what extent does the Native Hawaiian community have access to or understand how to access resources for job training and housing assistance at the local, state, and federal level?

b. How familiar is the public with the federal government resources available to support small businesses, loans, or grants?

c. How can the government better provide culturally sensitive and affordable housing for AA and NHPI communities?

4. Health Equity Subcommittee Questions:

a. What are the mental health concerns impacting communities in the Pacific Islands and what are some of the ways communities are trying to address them?

b. What are the biggest concerns around health for Native Hawaiians?

c. What are some of the biggest barriers to obtaining health care in Hawaii and other Pacific Islands?

d. What could improve your communities' ability to obtain federal services such as housing assistance, SSI/SSDI, SNAP/WIC, FEMA assistance, etc.?

5. Immigration and Citizenship Status Subcommittee Questions:

a. What are the main policy implications for Pacific Islanders who have either immigrated or moved away from their island homelands to other locations in the United States?

b. Pacific Islanders have a unique history with the United States that differs from most immigrants or migrants to this country. What should the responsibility of the federal government be to Pacific Islanders in light of this historical relationship?

c. As immigration-related agencies within the U.S. Department of Homeland Security (DHS) like the U.S. Citizenship and Immigration Services (USCIS), Immigration and Customs Enforcement (ICE), and Customs and Border Protection (CBP), work to expand language services, how should they decide which languages and which processes should be prioritized for implementation? Are there specific forms or processes that DHS agencies should prioritize providing language services for immediately? If so, which forms and language translations should be prioritized?

d. What can be done to address negative stereotypes and improve group relations between Pacific Islanders and other communities both in the Pacific Islands and throughout the United States?

Authority: Executive Order 14031. The President's Advisory Commission on Asian Americans, Native Hawaiians, and Pacific Islanders is governed by provisions of the Federal Advisory Committee Act, Public Law 92-463, as amended (5 U.S.C. app.), which sets forth standards for the formation and use of Federal advisory committees.

Krystal Ka'ai,

Executive Director, White House Initiative on Asian Americans, Native Hawaiians, and Pacific Islanders President's Advisory Commission on Asian Americans, Native Hawaiians, and Pacific Islanders.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Toxicology Program Board of Scientific Counselors; Announcement of Meeting; Request for Comments

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: This notice announces the next meeting of the National Toxicology Program (NTP) Board of Scientific Counselors (BSC). The BSC, a federally chartered, external advisory group composed of scientists from the public and private sectors, will review and provide advice on programmatic activities. This meeting is a virtual meeting and is open to the public. Written comments will be accepted, and registration is required to present oral comments.

DATES:

Meeting: Scheduled for July 11, 2023, 11:00 a.m.–1:15 p.m. Eastern Daylight Time (EDT). Ending times are approximate; meeting may end earlier or run later.

Written Public Comment Submissions: Deadline is July 5, 2023; 5:00 p.m. EDT.

Registration for Oral Comments: Deadline is July 5, 2023; 5:00 p.m. EDT.

ADDRESSES:

Meeting Web Page: The preliminary agenda, registration, and other meeting materials will be available at <https://ntp.niehs.nih.gov/go/165> by June 12, 2023.

Virtual Meeting: A link to the URL for viewing the virtual meeting will be provided on the meeting web page by noon the day before the meeting.

FOR FURTHER INFORMATION CONTACT: Dr. Milene Brownlow, Designated Federal Officer for the BSC, Office of Policy, Review, and Outreach, Division of Translational Toxicology, NIEHS. Phone: 984-287-3364, Email: milene.brownlow@nih.gov. Hand Deliver/Courier address: 530 Davis Drive, Room K2136, Durham, NC 27713.

SUPPLEMENTARY INFORMATION: The BSC will provide input to the NTP on programmatic activities and issues. The preliminary agenda topics include a presentation on needed research capabilities to support predictive toxicology and evidence evaluation, including the development and implementation of computational, alternative, literature-based, and quality assessment tools and methodologies. The NIEHS proposes to obtain support for these activities via contract mechanism due to the scope of the required capabilities and availability of personnel with relevant experience to perform these activities exceeding the internal resources available. The preliminary agenda, roster of BSC members, background materials, public comments, and any additional information, when available, will be posted on the BSC meeting web page (<https://ntp.niehs.nih.gov/go/165>) or may be requested in hardcopy from the Designated Federal Officer for the BSC. Following the meeting, summary minutes will be prepared and made available on the BSC meeting web page within 90 calendar days of the meeting.

Meeting Attendance Registration: The meeting is open to the public with time scheduled for oral public comments. Registration is not required to view the virtual meeting; the URL for the virtual meeting will be provided on the BSC meeting web page (<https://ntp.niehs.nih.gov/go/165>) by noon the day before the meeting. TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least five business days in advance of the event.

Written Public Comments: NTP invites written public comments. Guidelines for public comments are available at https://ntp.niehs.nih.gov/ntp/about_ntp/guidelines_public_comments_508.pdf.

The deadline for submission of written comments is July 5, 2023, by 5:00 p.m. EDT. Written public comments should be submitted through the meeting web page. Persons submitting written comments should

include name, affiliation, mailing address, phone, email, and sponsoring organization (if any). Written comments received in response to this notice will be posted on the NTP web page, and the submitter will be identified by name, affiliation, and sponsoring organization (if any).

Oral Public Comment Registration:

The agenda allows for public comment periods on the agenda topics (up to five commenters per topic, up to five minutes per speaker per topic). Oral comments will be received only during the formal comment periods indicated on the preliminary agenda. Persons wishing to make an oral comment are required to register online at <https://ntp.niehs.nih.gov/go/165> by July 5, 2023, by 5:00 p.m. EDT. Registration is on a first-come, first-served basis. Each organization is allowed one time slot per topic. After the maximum number of speakers is exceeded, individuals registered to provide oral comment will be placed on a wait list and notified should an opening become available. Logistical information for presentations will be provided to commenters approximately 2–3 days before the meeting.

If possible, oral public commenters should send a copy of their slides and/or statement or talking points to Ms. Robbin Guy by email: robbin.guy@nieh.gov by July 5, 2023; 5:00 p.m. EDT.

Meeting Materials: The preliminary meeting agenda will be available on the meeting web page (<https://ntp.niehs.nih.gov/go/165>) by 5:00 p.m. on June 12, 2023, and updated one week before the meeting. Individuals are encouraged to access the meeting web page periodically to stay abreast of the most current information regarding the meeting.

Background Information on the BSC: The BSC is a technical advisory body comprised of scientists from the public and private sectors that provides primary scientific oversight to the NTP. Specifically, the BSC advises the NTP on matters of scientific program content, both present and future, and conducts periodic review of the program for the purpose of determining and advising on the scientific merit of its activities and their overall scientific quality. Its members are selected from recognized authorities knowledgeable in fields such as toxicology, pharmacology, pathology, epidemiology, risk assessment, carcinogenesis, mutagenesis, cellular biology, computational toxicology, neurotoxicology, genetic toxicology, reproductive toxicology or teratology, and biostatistics. Members serve overlapping terms of up to four years. The BSC usually meets periodically.

The authority for the BSC is provided by 42 U.S.C. 217a, section 222 of the Public Health Service Act (PHS), as amended.

The BSC is governed by the provisions of the Federal Advisory Committee Act, as amended (5 U.S.C. ch.10), which sets forth standards for the formation and use of advisory committees.

Richard P. Woychik,

Director, National Institute of Environmental Health Sciences and National Toxicology Program, National Institutes of Health.

SUPPLEMENTARY INFORMATION: Executive Order 12862 directs Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector. In order to work continuously to ensure that our

programs are effective and meet our customers' needs, the Department of Homeland Security (hereafter "the Agency") seeks to obtain OMB approval of a generic clearance to collect qualitative feedback on our service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This collection of information is necessary to enable the Agency to garner customer and stakeholder feedback in an efficient, timely manner, in accordance with our commitment to improving service delivery. The information collected from our customers and stakeholders will help ensure that users have an effective, efficient, and satisfying experience with the Agency's programs. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the Agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management. Improving agency programs requires ongoing assessment of service delivery, by which we mean systematic review of the operation of a program compared to a set of explicit or implicit standards, as a means of contributing to the continuous improvement of the program.

The Agency will collect, analyze, and interpret information gathered through this generic clearance to identify strengths and weaknesses of current services and make improvements in service delivery based on feedback. The solicitation of feedback will target areas such as: timeliness, appropriateness, accuracy of information, courtesy, efficiency of service delivery, and resolution of issues with service delivery. Responses will be assessed to plan and inform efforts to improve or maintain the quality of service offered to the public. If this information is not collected, vital feedback from customers and stakeholders on the Agency's services will be unavailable. The Agency will only submit a collection for approval under this generic clearance if it meets the following conditions:

- Information gathered will be used only internally for general service
