

# MPS WORLD SUMMIT

CONNECT, EXCHANGE, EDUCATE

## Call for Abstract Submissions: Microphysiological Systems (MPS) World Summit *Second Virtual Conference*

**Theme:** Systems Engineering of Microphysiological Systems

**Date:** December 9<sup>th</sup>, 2021

**Abstract Submission Deadline:** October 21<sup>th</sup>, 2021, 11:59pm

Abstracts are invited on the topic of new developments in MPS: new cellular models (from bio-printing to organoids, etc.); new approaches in bioengineering of MPS devices. Describe your newest developments: breakthroughs, advantages, challenges and the field of applications. The top six abstracts will be selected for oral presentations in one of two sessions: (1) MPS hardware and enabling technologies; (2) Cell models and applications for MPS. All accepted abstracts will be invited for an electronic poster.

There is no submission fee and no conference registration fee.

The broader MPS symposium series also includes three other events (hybrid in June 2022, 2023, 2024)—calls for abstracts will be going out for those events separately. To be informed of those calls for abstract submissions, please email: [info@mpsworldsummit.com](mailto:info@mpsworldsummit.com) or visit the MPS World Summit website and register: <http://mpsworldsummit.com>

### Abstract submission guidelines:

- Abstracts must be in English.
- All abstracts will be evaluated and selected by the MPS Scientific Advisory Committee (SAC).
- Please limit abstracts to 300 words.
- References must be cited in the text as (First author et al., Year).
- Pictures, figures, attachments are not permitted—text only.
- Please submit abstract as Word document.
- Include no more than five references.
- All abstracts accepted will be published in an abstract/poster book (PDF) and distributed digitally to all registered attendees.
- Young scientists (35 or under) can apply for consideration for the Travel Award (free registration at the upcoming hybrid meeting in New Orleans), to be held May 30-June 3, 2022. Please note in the e-mail if you wish to be considered for the Travel Award for young scientists.

*email abstracts to:*  
[info@mpsworldsummit.com](mailto:info@mpsworldsummit.com)

Please note “Abstract” in the subject field. Also, note in your submission if you wish to be considered for the Travel Award for young scientists (you must be 35 or younger) to attend the hybrid conference in New Orleans on May 30-June 3, 2022.

Applicants will be informed of acceptance/non-acceptance by **November 25th 2021**.
